A New Philips Promotion is available.

Offer:

Replace any Cardiac Science AED device or any other competitor's AED device and receive a rebate towards the purchase of a Philips FRx or OnSite device. Customers who purchase a FRx defibrillator will receive a \$200 rebate for each competitive device replaced. Customers purchasing an OnSite with case, will receive a \$100 rebate for each competitive device replaced. Promotion ends on September 24, 2010.

Promotion Dates: Now through September 24, 2010

Description:

This promotion may be offered to customers replacing their competitive AED device, in any market, but is only applicable to the HeartStart OnSite and FRx devices. This offer cannot be combined with any other promotions or special pricing. For each competitive device replaced with the purchase of a Philips OnSite device with case, customer receives an instant rebate of \$100, and for each competitive device replaced with the purchase of a FRx device, receive an instant rebate of \$200.

Ordering Information:

- 1.) Sell HeartStart OnSite and/or FRx AED to your customer to replace their competitive AED device.
- 2.) Place your order with Philips for an OnSite and case and/or FRx.
- 3.) Reference the OnSite promotional code and/or the FRx promotional code on your purchase order.
- 4.) Complete the "Competitive Device Validation" form including competitive device serial numbers. This form must be completed, signed, and received by Philips Business Center before your order will be processed.
- 5.) Validation form can be emailed to orders@enerspect.com or faxed to 702.537.7737
- 6.) Competitive rebate is applied at the time your completed order is placed with Philips.
- 7.) All orders must be placed by September 24, 2010 in order to receive the promotional offers.
- 8.) All orders must be scheduled for shipment by October 29, 2010.

All Competitive devices are to be returned to Performance CPR within 14 days of receiving the new Philips Defibrillator order.
