

STAND WITH THOSE WHO SERVE

September 1, 2011

Dear Greg Baker,

We would like to express our appreciation for your participation in the first ever Stand With Those Who Serve event that took place on August 13, 2011, throughout the 40 acre venue at the Criminal Justice Training Center. This positive event was designed to celebrate and honor all personnel in law enforcement, corrections, the military and their supportive families.

More than 2,000 people enjoyed the donated food, live music, fun activities and looked at the various equipment that was on display. A great part of the credit and success goes to your participation in the vendor area, along with the other 58 other departments, agencies and military units who made the interactive experience memorable.

We received so many positive comments from both the attendees and participants, that we are inspired and will continue to bring even more people from all over Washington State together next year for this outstanding event.

We believe that the annual Stand With Those Who Serve will evolve and grow. We hope that you will continue to participate in this uplifting experience.

Sincerely,

Carrie McNally
